The IITF has showcased India's industrial strengths and manufacturing capabilities. Theme of IITF is the "ATMANIRBHAR BHARAT" to showcase the rural and small scale industry of the country. IITF is a platform for projecting the country as a destination for trade and investment with an investment friendly environment and high potential market of over one billion consumers. IITF is the largest integrated trade fair with B2B and B2C components and has emerged as the largest trade fair in the Indian sub-continent. It is an effective showcase displaying achievements and technological advancements of India in a wide range of products and services. There is a large presence of Indian and overseas companies displaying their products and services in the event. The last edition of the fair witnessed a huge turnover of business visitors, both domestic and international. IITF was visited by 590 foreign trade delegations from over 48 countries across the globe.</p>

Director, Chamber for Import, Export & Health Ex-Special Executive Magistrate / SEO, Government of Maharashtra Mobile No. +91 9769555657 / +91 9324425310 / +91 8452929818 (WhatsApp) Email : agrofnbpro@gmail.com / trinity.cmd@gmail.com, Website : www.agrofnbpro.in</p>	BEC, Nesco Complex, Goregaon E, Mumbai	November 25 th to 27 th 2021	<p>Imports of agri-food products have increased rapidly with imported items commonly found in retail chain stores include: alcoholic beverages, breakfast cereals, confectionary, fresh and processed fruit and vegetables and pasta among others. India is projected to become the world's largest consumer economy by 2025. The Government of India has made F & B Processing a Priority Sector and taken many steps to improve ease of doing business, reduce cost and time taken in importing food products, and improve India's ranking in logistics performance indicators. Today, the Indian government uses</p>

				<p>information technology (IT) integration across the agencies involved in the import clearance process. It has introduced GST, simplified the legal & tax system, implemented electronic sealing of containers, upgraded port/air freight infrastructure, permitted electronic submission of documents with digital signatures, made Food Safety and Standards Authority of India (FSSAI) proactive, liberalized the functioning of Agricultural Produce Development Authority (APEDA) and Commodity Boards, etc. All of which reforms helped India jump to 63rd place out of 190 countries (from 77 the previous year) in The World Bank's Doing Business 2020 report.</p>
3	<p>7th Annual OTI + TTI : Travel & Tourism India Expo from at Goa, India</p> <p>For more information one may please use the following contact details : Joseph Dias, MA (Eco), Chairman & Mg.
